**Dear Hiring Manager,**

I am writing to express my interest in the Fresher position at your organization. I have honed my skills in Full Stack Development, Cloud Based Technologies like AWS, and Computer Networking fundamentals. My proficiency in Java, MySQL, Web Development and Application Development, coupled with expertise in frameworks like React, Angular, and Django, has enabled me to contribute to successful project outcomes.

I feel that my skills are best suited for your firm because, during my Internship at **Label X AI**, I designed and implemented Web Applications and I my BE I Have done project on **SMART MANAGEMENT OF EV CHARGING STATIONS USING AI CHATBOT AND GMAPS API** Using Different Technologies. I am confident that my analytical, collaborative, and adaptable nature, along with my in-depth knowledge of multiple technology stacks, will make me a valuable asset to your team. I am eager to bring my expertise to a new and exciting challenge and contribute to the continued success of your organization.

Thank you for considering my application. I am looking forward to the possibility of contributing to your team and am available at your earliest convenience for an interview.

**Sincerely,**

**Omkar Mule**
